EXPERIENCE

Atripix LLC June 2026 - Present
Founder

- Built and launched 5+ websites and custom CRMs for four paying clients, leading sales, design, infrastructure, development, and deployment.
- Generated $1,000 in total revenue and more than $300 in monthly revenue; implemented SEO improvements for client websites.

Roblox June 2025 - August 2026
Senior Game Developer *Remote*

- Provided technical leadership and developed backend systems for live games reporting 5,500 combined concurrent players.
- Contributed to advertising-funnel and player-retention improvements as part of a game-development team that generated $20,000 in revenue.

PROJECTS

Locora August 2025 - February 2026
Software Engineering Application

- Developed a place-discovery web application with Electron desktop packaging, Cloudflare services, database storage, and REST APIs.
- Configured GitHub Actions to automate builds and lint checks on each push.
- Earned second place at the district level and third place in Florida FBLA Coding and Programming.

LEADERSHIP AND ACTIVITIES

Dual Enrollment Club August 2026 - Present
President

- Recruited 100+ members and helped students select degree-aligned courses and navigate registration.
- Guided students through enrollment in 60+ dual-enrollment credits, equivalent to approximately $6,300 in state-university base tuition.

Future Business Leaders of America 2024 - Present
Webmaster and Computer Applications Participant *Tampa, FL*

- Placed 2nd at districts and 3rd in Florida in FBLA Coding & Programming with Locora.
- Maintained the chapter website and published information about chapter events.
